

# Your Generation (2002 Remastered Version)

## Generation X

Trying to forget your generation  
You know all the ways when in what I see  
The ends must justify the means  
Your generation don't mean a thing to me  
I say your generation don't mean a thing to me  
I say your generation don't mean a thing to me Might take a bit of violence  
But violence ain't our only stance  
Might make our friends enemies  
But we gotta take that chance There ain't no time for substitutes  
There ain't no time for idle threats  
Actions are rather hard to place  
'Cause what you give is what you get So, that's your generation  
It's your generation  
Well it's your generation  
It's your generation Trying to forget your generation  
You know all the ways when in what I see  
The ends must justify the means  
Your generation don't mean a thing to me  
I say your generation don't mean a thing to me  
I say your generation don't mean a thing to me Might take a bit of violence  
But violence ain't our only stance  
Might make our friends enemies  
But we gotta take that chance There ain't no time for substitutes  
There ain't no time for idle threats  
Actions are rather hard to place  
Cause what you give is what you get So, that's your generation  
It's your generation  
Well it's your generation  
It's your generation To the end justify the means  
It time for generation
