

No.1 Against the Rush (Vince Clarke Remix)

Liars

Ive put myself, await the
Im pushing off beyond life
Ive put myself, await the
Im pushing off beyond lifeThe spiral down, youre coming back the day
And again, and again and again and again
These friends of ours, they seem pretend
Again and again and again and again and again, yeahIve put myself, await the
Im pushing off beyond life
Ive put myself, await the
Im pushing off beyond lifeIts cultural disease to see the life
So I want you out
