

# Sexy Ugly

## Lady Gaga

Hold me daddy, real tight.  
They'll take our picture in the spotlight.  
Yeah, I know you love that limelight,  
And how that DJs spinning tonight.

DJ!

Wish it wash it down,  
Gonna paint the town pink.  
We don't care what you think, sorry.  
Everybody wants to be like us,  
Filthy glamorous.

We know how to party  
Sexy ugly.  
Rock like us, silly and gorgeous.

Real Hot Body

Sexy ugly.

Hold your mama real tight,  
She's turning colors in the black light.  
Soundophobic polite,  
Don't be afraid to shake that butt right.

Wish it wash it down,  
Gonna paint the town pink.  
We don't care what you think, sorry.  
Everybody wants to be like us,  
Filthy glamorous.

We know how to party  
Sexy ugly.  
Rock like us, silly and gorgeous.

Real Hot Body

Sexy ugly.

You sex pot.

You sex pot.

You are a sex pot.

You are a sex pot.

You sex pot.

You sex pot.

You are a sex pot.

You are a sex pot.

You, sex, and pot.

Yeah.  
Wish it wash it down,  
Gonna paint the town pink.  
We don't care what you think, sorry.  
Everybody wants to be like us,  
Filthy glamorous.  
We know how to party  
Sexy ugly.  
Rock like us, silly and gorgeous.  
Real Hot Body  
Sexy ugly.  
Be like us,  
Filthy glamorous.  
We know how to party  
Sexy ugly.  
Rock like us, silly and gorgeous.  
Real Hot Body  
Sexy ugly.
