Picky Picky Head

Wailing Souls

Picky-picky head go buy new head
Picky-picky head you are natty dreadThey used to tease I on the way to school
Down the road I had to act real cool
Calling me names to them it's just a game, whoa yes
One day I know I'm gonna have some fame, whoa oh oh whoayPicky-picky head go buy new head, them used to say
