

Stand Up

Right Said Fred

Will build to be the best
Number one nothing last
Leave me to my destiny
I have waited passion glee
I have wishen or all believe
I am what can count meStand up
For the champions
For the champions
Stand upStand up
Stand up
For the champions
For the championsStand up
For the champions
For the champions
Stand upStand up
Stand up
For the champions
For the championsStand up
Here we go
Is getting close
Now is just who onest most
It's just live that how it is
Cause we have I a string
Than we can exist
Oh we have wishen
Oh can't you see
I am on the move
Make way for meStand up
For the champions
For the champions
Stand upStand up
Stand up
For the champions
For the championsStand up
For the champions
For the champions
Stand upStand up
Stand up
For the champions

For the championsStand up
And when I fall down
I have to big my self backupAnd when I fall down
I have to big my self backupAnd when I fall down
I have to big my self backupAnd when I fall down
I have to big my self backupStand up
Stand up
For the champions
For the championsStand up
Stand up
For the champions
For the championsStand up
Stand up
For the champions
For the championsStand up
Stand up
For the champions
For the championsStand up
Stand up
For the champions
For the championsStand up
