

Cannonball (radio remix)

[Damien Rice](#)

Still a little bit of your taste in my mouth
Still a little bit of you laced with my doubt
Still a little hard to say what's going on

Still a little bit of your ghost your witness
Still a little piece of your face i haven't kissed
You step a little closer to me
Still i can't see what's going on

Stones taught me to fly
Love taught me to lie
Life taught me to die
So it's not hard to fall
When you float like a cannonball

Still a little bit of your ghost, your weakness
Still a little bit of your face, I haven't kissed
You step a little closer each day
Still I can't see what's going on

Stones taught me to fly
Love taught me to lie
Life taught me to die
So it's not hard to fall
When you float like a cannon

Stones taught me to fly
Love taught me to cry
So come on courage!
Teach me to be shy
'Cause it's not hard to fall
And i don't want to scare her
It's not hard to fall
And i don't want to lose
It's not hard to grow
When you know that you just don't know
