

The Mind of Love

[k.d. lang](#)

Talking to myself here
Is causing great concern for my health
Where is your head Kathryn?
Where is your head? I'm trying hard to escape this
Constant pull towards ache
Why do you fight Kathryn?
Why do you fight? Surely help will arrive soon
To cure these self induced wounds
Why hurt yourself Kathryn?
Why hurt yourself?
Why hurt yourself? Can your heart conceal
What the mind of love reveals? I'm talking to myself again
It's causing great concern for my health
Where is your head Kathryn?
Where is your head?
Where is your head Kathryn?
Where is your head? Can your heart conceal
What the mind of love reveals?
Can your heart conceal
What the mind of love reveals?
(Does your heart conceal?)
What the mind of love reveals?
