Isobel

Jacob Fred Jazz Odyssey

I thought it was funny when you missed the train
When I rang you at home they said you had left yesterday
I thought it was strange when your car was found
By the tree in Ennis where we used to hang around
Dear Isobel
I hope you?re well and what you?ve done is right
Oh, it?s been such hell
I wish you well, I hope you're safe tonight
It?s been a long day coming and long will it last
When it?s last day leaving, I?m helping it pass
By loving you more
And who he would become, all the things he?d have done?
Would he have loved you and not let you down?
And would he be stronger than his father?
Don?t punish yourself, leave it well alone
Dear Isobel
I hope you?re well and what you?ve done is right
Oh, it?s been such hell
I wish you well, I hope you're safe tonight
It?s been a long day coming and long will it last
When it?s last day leaving, I?m helping it pass
By loving you more
It?s been a long day coming and long will it last
When it?s last day leaving, I?m helping it pass
By loving you more
