

# Isobel

## Jacob Fred Jazz Odyssey

I thought it was funny when you missed the train  
When I rang you at home they said you had left yesterday  
I thought it was strange when your car was found  
By the tree in Ennis where we used to hang around

Dear Isobel

I hope you're well and what you've done is right  
Oh, it's been such hell

I wish you well, I hope you're safe tonight  
It's been a long day coming and long will it last  
When it's last day leaving, I'm helping it pass

By loving you more

And who he would become, all the things he'd have done?

Would he have loved you and not let you down?

And would he be stronger than his father?

Don't punish yourself, leave it well alone

Dear Isobel

I hope you're well and what you've done is right  
Oh, it's been such hell

I wish you well, I hope you're safe tonight  
It's been a long day coming and long will it last  
When it's last day leaving, I'm helping it pass

By loving you more

It's been a long day coming and long will it last  
When it's last day leaving, I'm helping it pass

By loving you more
