How Does It Feel?

VenueConnection

One week left to the big day
Iâ€™m thrilled and eagerly waitinâ€™
Countinâ€™ the days till I get there
So excited that I just canâ€™t hide it

Packinâ€™ my bags but leavinâ€™ my burdens
The city of dreams, is it real? I wonder

I got a dream I want to share
I wanna dive in Times Square
A place that cannot be compared
My bodyâ€™s here but my soul is there

How does it feel?
Thatâ€™s what I wonder
How does it feel?
I gotta find out
How does it feel?
Thatâ€™s what I wonder
How does it feel?
How long Iâ€™ve been waiting for this?
How does it feel?
ThatÂ´s what I wonder
How does it feel?

Enjoyinâ€™ jazz in the Village
Walkinâ€™ down Central Park
Takinâ€™ pics of the Soho
Or buyinâ€™ some stuff in China Town

Packinâ€™ my bags but leaving my burdens
The city of dreams, is it real? I wonder

I got a dream I want to share
I wanna dive in Times Square
A place that cannot be compared
My bodyâ€™s here but my soul is there

Iâ€™m talking about the city of dreams

Iâ€™m singing about the way that I feel

How does it feel?
Thatâ€™s what I wonder
In the city of dreams

How does it feel?
Thatâ€™s what I wonder
How does it feel?
I gotta find out
How does it feel?
Thatâ€™s what I wonder
How does it feel?
How long Iâ€™ve been waiting for this?
How does it feel?
