

# Dress

[jmr](#)

Put on that dress, I'm going out dancing  
Starting off red, clean and sparkling  
He'll see me, music playing  
Make it dreamy for dancing Must be a way that I can dress to please him  
It's hard to walk in the dress, it's not easy  
I'm spilling over like a heavy loaded fruit tree If you put it on, if you put it on  
If you put it on, if you put it on It's sad to see, lonely, all this lonely  
Close up my eyes  
Dreamy dreamy music make it be alright  
Music play make it good for romancing Must be a way I can dress to please him  
Swing and sway everything'll be alright  
But it's feeling so damn tight tonight If you put it on, if you put it on  
If you put it on, if you put it on "You purdy thang," my man says  
"But I bought you beautiful dresses"  
"You purdy thang," my man says  
"But I bought you beautiful dresses" Filthy tight, the dress is filthy  
I'm falling flat and my arms are empty  
Clear the way, better get it out of this room  
A falling woman in dancing costume If you put it on, if you put it on  
If you put it on, if you put it on If you put it on, if you put it on  
If you put it on, if you put it on
