

Begin Again (The Clouds Below Remix)

Purity Ring

Begin again
Begin again
Begin again I've been watching your kindness keep
A lonely company
Look at the fire and think of me
I've been watching you creep
Around my wandering feet
Trying for years to flee I need not one thing more
Oh wrap the ground around
Your gentle winding mind
Oh guard the pounding sound
Breathe in your fiery air
Oh wrap the ground around
Give back an hungrier stare
Oh guard the pounding sound You be the moon I'll be the earth
And when we burst
Star over oh darling
Begin again
Begin again
Begin again You be the moon I'll be the earth
And when we burst
Star over oh darling
Begin again
Begin again
Begin again Begin again
Begin again
Begin again Begin again
Begin again
Begin again My moon oh my moon
Not even into
Another eternity
Will you stop your lovely orbiting
I had held it a world away
Until my body 'gan to say oh-oh oh-oh oh-oh I need not one thing more
Oh wrap the ground around
Your gentle winding mind
Oh guard the pounding sound
Breathe in your fiery air
Oh wrap the ground around

Give back an hungrier stare
Oh guard the pounding sound You be the moon I'll be the earth
And when we burst
Star over oh darling
Begin again
Begin again
Begin again You be the moon I'll be the earth
And when we burst
Star over oh darling
Begin again
Begin again
Begin again Begin again
Begin again
Begin again Begin again
Begin again
Begin again You be the moon I'll be the earth
And when we burst
Star over oh darling
Begin again
Begin again
Begin again You be the moon I'll be the earth
And when we burst
Star over oh darling
Begin again
Begin again
Begin again
