One Big Love

Patty Griffin

Let's take a ride to the seaside
We can go out swimming in the high tide
Just wear your shorts and your long hair
Don't forget the lawn chairEverybody's gone to the movies
Everybody's gone and it's groovy
They went to the one about the big war
I didn't, I'd seen it beforeAnd I guess I'm taking my chances
Giving up the ring, throwing in the gloves
And then I guess I'm taking my chances
Trading in my things for a couple wings on a little white dove
And one big love, one big loveEverybody do like a monkey, if you want to go on and be funky
No need to talk like a hero, talk a walk, count down to zero
No sense defending your honor, just go on and kiss him if you wanna
Everything before is gone or going somewhereAnd I guess I'm taking my chances
Giving up the ring, throwing in the gloves, ooh yeah
I guess I'm taking my chances
Trading in my things for a couple wings on a little white dove
And one big love, one big loveI don't know where we are and I don't care
And now we're out of gas and riding on air
And one big love, one big loveEverybody won't take you flying
It's just dicarded without even trying
Well everybody's swinging from the big start
Everybody's riding in the big car
(One big love)Let's take a ride to the seaside
(One big love)
We can go out swimming in the high tide
(One big love)
Everybody do like a monkey
(One big love)
Everybody will wanna be funky
Everybody will wanna be funky
(One big love)Let's take a ride to the seaside
(One big love)
(One big love)
(One big love)
Let's take a ride to the seaside
Let's take a ride to the seaside
(One big love)
Let's take a ride to the seaside, yeah

(One big love)Everybody's gone and it's groovy
Everybody's gone and it's groovy
