# Boyfriend #2 (Promo Only Clean Edit)

## Pleasure P

Turn around, let me lick you from yo neck down to yo navel
'Cause shawty you look ready
Forget the bed, I wanna lay your body right here on the table
So just hold it steadyI'll go get the camera, we can make a movie
I'm gown put my hands up
Lay back while you do me
Drop right out the shower, into the jacuzzi
Giving you what your body wantsI'm boyfriend number two
'Cause the first one he don't really
Seem like he know what to do
I'm boyfriend number two
And I know you like it freaky
So I am gonna give it to you
I'm boyfriend number two, baby don't fuss, don't fight, don't argue
'Cause second place always got a whole lot to, prove
So whenever you get in the mood
(Just call me) I'm boyfriend number twoGrab my hand,
I'ma pick you up and put you on the counter, girl you feel so sexy
I'm not yo other man,
I'ma take my time and kiss all around ya, only if you let meI'll go get the camera, we can make a movie
I'm gown put my hands up
Lay back while you do me
Drop right out the shower, into the jacuzzi
Giving you what your body wantsI'm boyfriend number two
'Cause the first one he don't really
Seem like he know what to do
I'm boyfriend number two
And I know you like it freaky
So I am gonna give it to you
I'm boyfriend number two, baby don't fuss, don't fight, don't argue
'Cause second place always got a whole lot to prove,
So whenever you get in the mood
(Just call me) I'm boyfriend number twoLadies if you got a man and a buddy on the side say yeah
Say yeah yeah yeah
If you be making plans 'cause he don't hit it right
Say yeah, yeahI gotta couple places
I'm sure he don't know about
No familiar faces
You can feel free to go out

I'm not afraid of doing what he doesn't doI'm boyfriend number two
'Cause the first one he don't really
Seem like he know what to do
I'm boyfriend number two
And I know you like it freaky
So I am gonna give it to you
I'm boyfriend number two, baby don't fuss, don't fight, don't argue
So whenever you get in the mood(Just call) I'm boyfriend number two
'Cause the first one he don't really
Seem like he know what to do
I'm boyfriend number two
And I know you like it freaky
So I am gonna give it to you
I'm boyfriend number two, baby don't fuss, don't fight, don't argue
'Cause second place always got a whole lot to prove,
I've got something to prove, I'm boyfriend number two
