

# My Whole Life

## Bif Naked

I don't wanna wait forever  
But you know I would  
You'd better hope, I don't say, "Now or never"  
'Cause you know I couldMy whole life I'm searchin' for  
Someone like you  
To take me gently by the hand  
And show me what to doMy whole life  
It's not over  
It's my whole lifeIf you're gonna say you love me  
Then I love you too  
I don't wanna hear you tell me, "Shut up again"  
Yeah, I heard youMy whole life is flashing  
Right before my eyes  
No more fabricated hellos  
And no more sad goodbyesMy whole life  
It's not over  
It's my whole life
