Bad as They Seem

Hayden

Girl of my dreams
Things are as bad as they seem
She is only 16
That's why she's only a dreamWoman of my dreams
Lives right down my street
Has a daughter who's 16
That's why she's only a dreamWhat do I do this for
Got to get out some more
Go down to the grocery store
Meet someone I'll adoreSomeone who'll make me laugh
Someone to be my better half
Keep me warm under the sack
Share with me my midnight snackJob of my dreams
Things are as bad as they seem
Working where I did at 14
Making less pay it seemsWhat do I do this for
Got to get out some more
Go down to the grocery store
Meet someone I'll adoreSomeone who'll make me laugh
Someone to be my better half
Keep me warm under the sack
Share with me my midnight snackHouse of my dreams
Things are as bad as they seem
My parents' house I'll stay for free
Till I'm at least 43
