

Pistol Whipped

Marilyn Manson

You look so pretty
when you cry.
Dont wanna hit you
but the only thing,
between our love is
a bloody nose
a busted lip
and a blackened eye You look so pretty
when you cry.
Dont wanna hit you
but the only thing,
between our love is
a bloody nose
a busted lip
and a blackened eye Youre a little pistol
and Im fucking pistol whipped
Youre a little pistol
and Im fucking pistol whipped (cock, cock, cock it) When I undo my belt,
you melt and you walk away
with a red, red, red welt
(or so they say) When I undo my belt,
you melt and you walk away
with a red, red, red welt
(or so they say) Youre a little pistol
and Im fucking pistol whipped
Youre a little pistol
and Im fucking pistol whipped I wanna have your ache
and beat you too
I wanna have your ache
and beat you too
I wanna have your ache
and beat you too
I wanna have your ache
and beat you too Youre a little pistol
and Im fucking pistol whipped
Youre a little pistol
and Im fucking pistol whipped (cock, cock, cock it)
