Pistol Whipped

Marilyn Manson

You look so pretty

when you cry.

Dont wanna hit you

but the only thing,

between our love is

a bloody nose

a busted lip

and a blackened eyeYou look so pretty

when you cry.

Dont wanna hit you

but the only thing,

between our love is

a bloody nose

a busted lip

and a blackened eyeYoure a little pistol

and Im fucking pistol whipped

Youre a little pistol

and Im fucking pistol whipped(cock, cock, cock it)When I undo my belt,

you melt and you walk away

with a red, red, red welt

(or so they say) When I undo my belt,

you melt and you walk away

with a red, red, red welt

(or so they say) Youre a little pistol

and Im fucking pistol whipped

Youre a little pistol

and Im fucking pistol whippedI wanna have your ache

and beat you too

I wanna have your ache

and beat you too

I wanna have your ache

and beat you too

I wanna have your ache

and beat you too Youre a little pistol

and Im fucking pistol whipped

Youre a little pistol

and Im fucking pistol whipped(cock, cock, cock it)
