

Where Did You Sleep Last Night?

Leadbelly

My girl, my girl, don't lie to me
Tell me where did you sleep last night
In the pines, in the pines, where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, where will you go
I'm going the cold wind blows
In the pines, in the pines, where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, don't you lie to me
Tell me where did you sleep last night
In the pines, in the pines, where the sun don't ever shine
I would shiver the whole night through

My husband was a hardworking man
Killed a mile and a half from here
His head was found in a driving wheel
And his body hasn't ever been found

My girl, my girl, don't you lie to me
Tell me where did you sleep last night
In the pines, in the pines, where the sun don't ever shine
I would shiver the whole night through
