

Devotee

TCP

and your runscross the sea of delusion devotee
like a bird like a bird you must flyim not gonna tell you what to do you can always have my heart
im not gonna tell ya devotee cause youve had it from the startim not gonna tell you what to do im not gonna tell
you what to say
im not gonna tell you how to live your life ya gotta live it your own waywhen your eyes change their view
devotee Im with you
on and on turn me onon and onand i know it seems hard seeking light in the dark
but my word is the word you will seeim not gonna tell you what to do im not gonna tell you what to be
im not gonna tell ya how to live your life ya gotta live it any wayso live it up or live it downand I knowthat its
true it can happen to you
one day now youre asleep then awakeand the odds are so few that its not up to you
you need help call for help from above!im not gonna tell you what to do you can always have my heart
im not gonna tell ya devotee cause youve had it from the startim not gonna tell you what to do im not gonna tell
you what to say
im not gonna tell you how to live your life you gotta live it your own way!so live it up or live it down
okay go ahead live it up
sure go ahead live it downlive it up!!!faith will take your hand lead you cross the seadevotee
