Unforgiven

Covenant

I think you are not my friend
I think you're not on my side
I think I was far too blind
I think I made a mistakeYou try to sneak behind my back
But trust can not be stolen
Friendship must be earned
And affection's not for saleI know you want respect
But contempt is all you get from me
We are forever unforgivenYou call me a traitor
But you are a snake
An eye for an eye
And a tooth for a toothI think you are in too deep
I think you're not what you seem
I think I have been a fool
I think I should take more careYou try to sneak behind my back
But trust can not be stolen
Friendship must be earned
And affection's not for saleI know you want respect
But contempt is all you get from me
We are forever unforgivenYou call me a traitor
But you are a snake
An eye for an eye
And a tooth for a tooth
