## Unforgiven

## **Covenant**

I think you are not my friend I think you're not on my side I think I was far too blind I think I made a mistakeYou try to sneak behind my back But trust can not be stolen Friendship must be earned And affection's not for saleI know you want respect But contempt is all you get from me We are forever unforgivenYou call me a traitor But you are a snake An eye for an eye And a tooth for a toothI think you are in too deep I think you're not what you seem I think I have been a fool I think I should take more careYou try to sneak behind my back But trust can not be stolen Friendship must be earned And affection's not for saleI know you want respect But contempt is all you get from me We are forever unforgivenYou call me a traitor But you are a snake An eye for an eye And a tooth for a tooth
