

# I Choose You (Prod. By Babyface)

Mario

Heh, you know  
Someone loses someone they love everyday  
And I'm fortunate to still have you in my life  
'Cause I know I made some mistakes in the past  
But I'm tired of making excuses, listen For whatever might have been  
And all that it never was  
Whatever I couldn't see  
And all that I didn't want There was a method to my madness, girl  
That wasn't clear to me  
Until the day I saw your face  
When I saw everything  
For I saw us dancing through sunshine and rain  
And I saw us laughing through joy and through pain  
And I saw time passing but we did not change  
And I still saw us together at the end of every day Whenever you want it  
Whenever you need it  
Whatever you feel like, it's gon' be like  
You better believe it Whenever you feel like dancing  
You don't have to dance alone, no  
You know, you know, you know  
You should already know I choose you, I choose you  
I felt you inside myself  
Before I could even feel  
I knew you like no one else  
But still I couldn't tell, oh Girl, none of it made sense to me  
Girl, none of it was real  
Until the day I saw your face  
And it was clear to see Whenever you want it  
(Whenever you want it)  
Whenever you need it  
(Whenever you need it, baby)  
Whatever you feel like, it's gon' be like  
You better believe it  
(You better believe it) Whenever you feel like dancing  
You don't have to dance alone, no  
(Oh, no)

You know, you know, you know  
You should already know I choose you  
(I choose you, baby)  
I choose you  
(I choose you, girl)  
I choose you, I choose you (You know that I choose you)  
I choose you, I choose you  
I choose you, I choose you Throughout our times  
People have searched their lives  
Hoping that they might find the chance  
Where they can make things right Through my desire  
Thank God I found the fire  
Oh, for everything has led me  
Straight to you  
(You) Whenever you want it  
Whenever you need it  
(Baby)  
Whatever you feel like, it's gon' be like  
You better believe it  
(Oh, you better believe it) Whenever you feel like dancing  
You don't have to dance alone, no  
You know, you know, you know  
You should already know  
I choose you, I choose you  
I choose you, I choose you  
I choose you, I choose you  
I choose you  
(Yeah, oh baby darling)  
I choose you  
(Said I'm choosing you)  
I choose you  
(Oh, baby baby)  
I choose you  
(Girl, I made up my mind)  
I choose you  
(And I choose you)  
I choose you, I choose you  
I choose you, I choose you  
I choose you
