And What Did You Do Today

John Vanderslice

and what did you do today?
and what did you do today?
i'd really like to know
i'd sure like to know
the hours left you unlovedi'll tell you what i saw today
i'll tell you what i saw today
well, i watched a caterpillar
(an ochre caterpillar)
crawl over my desk
(i put him outside
because everyone needs a nest)
what did you do today?
what did you do today?
if you write a letter
single-spaced is better
