

Every Little Bit Hurts

Brenda Holloway

Every little bit hurts
Every little bit hurts
 Every night I cry
 Every night I die
Every night I wonder why
 You treat me cold
 Yet you won't let me go
 Every little hurt does
 Every little hurt does
 To you I am a toy
 And you're the girl
 Who has the say
 Why I should play
 Yeah you hurt me
Desert me I just can't take
The loneliness you give me
 I just can't go
 Another night this way
 Come back to me
 Darlin' you'll see
I can give you all the things
 You wanted me for
 If you will stay with me
 Every little bit hurts
 Every little bit hurts
 Every night I cry
 Every night I die
Every night I wonder why
 You treat me cold
 Yet you won't let me go
 Come back to me
 Darlin' you'll see
I can give you all the things
 That you wanted me for
 If you will stay with me
 Every little bit hurts
 Every little bit hurts
 Every little bit hurts
