

Why Don't You Stay

Glenn Hughes

There's an old saying
That just won't leave my mind
And you know I've been praying
Girl, you know that you're one of a kind And I know that you're lonely, baby
And I know you've been sad
And I've been dying to see you There's a picture of you
That's deep inside of my soul
And I wouldn't do
Anything you didn't want me to 'Cause I get a little worried, darling
'Cause you gotta keep on the right track
And I am calling you
So won't you please come back? Baby, why don't you stay?
I can't stop you from leaving
Baby, don't go away
Gotta keep on believing Baby, why don't you stay?
Let's make a brand new start
And let's have a little heart to heart So let's make a toast
To the times that we've had
'Cause I love you the most
Through the good and through the bad If you want good lovin'
You know where I will be
So won't you please come back?
Baby, come back to me Baby, why don't you stay?
I can't stop you from leaving
Baby, don't go away
You gotta keep on believing Baby, why don't you stay?
And let's make a brand new start
'Cause the only thing that I want
Is for you to be happy, baby Baby, why don't you stay?
I can't stop you from leaving
Baby, don't go away
Gotta keep on believing Baby, why don't you stay?
Let's make a brand new start
Baby, don't go away Baby, why don't you stay?
No, I can't stop you from leaving
Baby, don't go away
No, you gotta keep on believing Baby, why don't you stay?
Oh, let's make a brand new start
Baby, don't go away

No, no, no, no
Why don't you stay?
