

Luv Deez Hoes (feat. 2 Chainz)

Yo Gotti

I love deez hoes
I love deez hoes
I love deez hoes
Oh, I love deez hoes
Oh, I love deez hoes
I love deez hoes
Oh, I love deez hoes
I said I love these hoes
I love these hoes
Oh, I love deez hoes When that ass sit fat and the head on point
I love deez hoes
When the bitch wake up go to work get dough
I love deez hoes
When the bitch hit the club bring a friend home with her
I love deez hoes, I love deez hoes
She fell in love with a gangsta, she a gangsta hoe Oh, I love deez hoes
(Love deez hoes)
I love deez hoes
Oh, I love deez hoes
(Love deez hoes)
I love deez hoes Okay, my bitch is a winner
Met the bitch in December
Real name was Keisha
Nickname was Criminal
Got a red bitch named July
Head fine, fireworks
Pussy special, head amazing
Looking for her, high alert
I'm a street nigga, one hunnid
And I love all of my bitches
I'mma get money, go hard
And ball all out with my bitches
I love thick hoes, light hoes
Black bitches, white hoes
Mixed bitches, ratchet hoes
Boogie bitches can't fuck with those
I like true freaks, shy hoes
I get money but don't buy hoes
That ass fat, gap wide

She can't stand straight she look pigeon toed
I fucked Tonya sister, Meeka cousin
Her best friend and her roommate
With y'all BFF y'all can tag team
And we call that shit a double date
When that ass sit fat and the head on point
I love deez hoes
When the bitch wake up go to work get dough
I love deez hoes
When the bitch hit the club bring a friend home with her
I love deez hoes, I love deez hoes
She fell in love with a gangsta, she a gangsta hoe
Oh, I love deez hoes
(Love deez hoes)
I love deez hoes (Love deez hoes)
Oh, I love deez hoes
I love deez hoes I love bad bitches is the problem
She gon' suck my dick until tomorrow
Spondivits eating calamari
I pay all the bills baby momma ain't worried
Thought I'd fuck your bitch in a movie
Hardcore all on her booty
Rolex all on the old wrist
Her skirt going up on a Tuesday
This shit started in a Chevy
Tryna do it big 'til I'm wealthy
Got a bookbag full of money
In the dealership take a selfie
All I used to want was a Masi
I used to have to pray for a thousand
Just bought a foreclosed house
Just to use the bitch for a closet
Love all them hoes then I move on
See my old neighborhood when the news on
Leave the club and head straight to the fucking crib
Just to fuck her on the futon
Oh, I love deez hoes
(Love deez hoes)
I love deez hoes
Oh, I love deez hoes
(Love deez hoes)
I love deez hoes I fell in love, first sight
Virgin pussy, super tight
She kinda insecure so she hold me tight
Attitude and one I kinda like
She be talking shit, like to fight
Last nigga ain't treat her right
So the last nigga ain't in her life

She listen to me so I give advice
I said, "you look good, that don't make you bad"
What's your credit score?
Who you fucked in the past?
What your future is?
What your plans are?
And most important now what you stand for?
A real nigga what you need to be planning for
You gettin' money, what you need a man for?
These lame ass niggas understand bruh
That ain't yo bitch if you paying her
A real nigga what you need to be planning for
You gettin' money, what you need a man for?
These lame ass niggas understand bruh
That ain't yo bitch if you paying her Oh, I love deez hoes
(Love deez hoes)
I love deez hoes
Oh, I love deez hoes
(Love deez hoes)
I love deez hoes
