

With All My Heart

Tramaine Hawkins

With all my heart with all my heart with all my heart
I'll give my life to you
I heard someone knocking quite persistent
Saying please won't you open your door
I knew you were feeling kind of lonely
And I've got what you've been looking for
Here I am waiting for you
I've been here all the time
Reaching out for your hand in mine
I said my mind and soul I'll give to you
With all (with all) my heart (my heart)
With all (all) my heart (all of my heart)
With all (all) my heart I'll give my life to you
Amazing you knew so much about me
Even all the things that would come
You said my child if you'd only
Trust in me there's a place for you in my home
You lifted me higher and higher
Now I'm sitting on top of the world
And my days are filled with joy
From now on this for real (this is for real)
I'll give my love
Ohhhhhhhhhhhhhhh
Ohhhhh you lifted me higher and higher (higher higher)
Now I'm sitting on top of the world
And my days are filled with joy
Yeah from now on this for real (this is for real)
I'll give my love I'll give my love
All with all of my heart (all of my heart all of my heart)
I'm gonna give you Lord all of my heart (my heart)
With all (all) all my heart
I'll give my life to you to you to you
With all (with all of my heart with all of my heart)
All my heart every lil bit every lil bit every lil bit
All my heart I'm gonna give it my heart to you
Yes I am yeah yeah yeah yeah yeah yeah yeah yeah
(All of my heart all of my heart)
I'm gonna give you my mind my body and my soul Lord
Not just a part not just a part but all my heart

I'll give it woohooooo
