

Your Eyes (ft. Njomza)

Tennyson

[You] told me that you can't feel nothing
Leave the flowers at the door
You ain't even see it comin'
(in your eyes x2)I was just a painted picture
couldn't understand the gore
You aint even see it comin'
(in your eyes x2)Bridge:
I feelin' the empty earth
(Can you handle it, handle it)Now that you can feel the ocean
So big that you cant ignore
Say you wanna live for somethin'
(in your eyes x2)Every nice day i blankly
Dream about a different world
Say you wanna live for somethin'
(in your eyes x2)Bridge:
I feelin' the empty earth
(Can you handle it, handle it)I (spin) far
know you've been waitin'Separate yourself from them
Let go off your bitterness
It's all right here (its all right here)Read more:Move so slow you hear the wind
Took awhile just to run this
It's all right here (its all right here)My time is...
Limited and so is yours
Nothing promised and nothings sure
in your eyes (in your eyes)Read more:
