Wendy

Beach Boys

Wendy, Wendy what went wrong?
Oh, so wrong
We went together for so longI never thought, a guy could cry
'Til you made it with another guyWendy, Wendy left me alone
Hurts so bad
Wendy, Wendy don't lose your head
Lose your head
Wendy don't believe a word he saysI can't picture you with him
His future looks awful dimOh, Wendy, Wendy left me alone
Hurts so badWendy, I wouldn't hurt you like that
No, no, no
I thought we had our love down pat
Guess I was wrongThe farthest thing from my mind
Was the day that I'd wake up to findMy Wendy, Wendy left me aloneWendy, Wendy left me alone
Hurts so bad
Wendy, Wendy left me alone
Hurts so badWendy, Wendy left me alone
Hurts so bad
