

# Sanctified

## Nikki Sudden

I guess that I've been sanctified  
Been pushed that way and this and almost crucified  
I've lived through times much worse than this  
But what always thrills me is the way you kiss.I know that I've been blessed and I thank you for the life  
I know I wasn't, wasn't born to be denied  
Been reading books 'bout far better times than this  
But what always thrills me is the way, oh, you kiss.The roads I walk are never stained  
Through memories that will always remain  
Darkness never, never penetrates the trees  
As slowly you pull out a bunch of keys.  
I know that I've been sanctified  
I was never, never born to be denied  
Never lived a lie and I've lived through this  
But what always thrills me is the way you kiss.
