â™¦Be My Babyâ™¦
[Verse:1]
Every night I close my eyes baby you can make me smile when I see you fall in love, p-p-party it's so hot.
You're the only girl for me, shawty only girl I see.
You don't know how I feel
'Cause you steal my heart every night I look up in the dark Before the words in my eye's, but you are only tell me lies
[Pre-Chorus]
'Cause you're my golden prize, you're my golden prize, prize
You're my golden prize, prize, you're my golden prize
You are only tell me lies, you're my golden prize, prize
You're my golden prize, prize, you're my golden prize
[Chorus]
So please be, please be my baby, because I love you.
So please be, please be my baby, do you love me too?
[Verse:2]
I will be the one for you, baby I can make you show

I give my heart, give you all my attention
I know it isn't mart and give you a mention
Bug it's all I have and I wish you 'til a breath
And know we sing it together, I want hear enough-noug-nough
If it's one last chance to make it right, if it's the only way to hold you at night
So don't you come a little closer, before this awesome night is over
So do you really wanna go at home alone?
Don't be so cold, heart like a stone
Now we sing it together I want baby here and forever
[Chorus]

So please be, please be my baby, because I love you
So please be, please be my baby, do you love me too?
So please be, please be my baby, because I love you
So please be, please be my baby, do you love me too?
Do you love me too?
