# In Our Angelhood

## Cocteau Twins

He's gonna chalk you out
In his angelhood
He's got the love, let- let us
Like he said he would, like he said he wouldHe's gonna chalk you out
In his angelhood
Please stand alone and let us
Like he said he would, like he said he wouldLike he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said, the angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they wouldWe're truly angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they wouldLike you said they would
In our angelhood
In our angelhood
In our angelhoodJudging you, Angelhood, Judging you
In our angelhood
In our angelhood
In our angelhood
Judging you, Angelhood, Trust in him
In our angelhood
In our angelhood
In our angelhoodJudging you, Angelhood, Trust in him
In our angelhood
In our angelhood
In our angelhood
