Stealaway

Poco

Stealaway
My little darling
Far away
You and ILookin' at you and the way about you
Fallin' come easily
No one could ever guess we'd stand here
Lookin' to disagreeWhere did it all go wrong?
It seems we had too many stars in our eyes
Now we are lookin' back to see
How many stars were liesStealaway
My little darling
Far away
You and I
Helplessly
Hangin' on
So darlin'
StealawayHow did it get so damn confusin'?
Who cares who's wrong or right?
We gotta move out of all this darkness
To see a little lightStealaway
My little darling
Far away
You and I
Helplessly
Hangin' on
So darlin'
Stealaway
