I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Oh still I wanna be a rock star, but ain't got what it takes
 Seeing my face up on the TV
 Hearing my songs on the radio
 People waiting all day in line to see me
 Doing my pose for Rolling Stone
 It's alright, yeah, it's alright, c'mon
I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Oh still I wanna be a rock star, but I ain't got what it takes
 Living lifestyles of the rich and famous
 Turning all heads in the music scene
 Flying in my own jet plane to Vegas
 I'm riding in a big black limousine
 It's alright, said, it's alright
I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Oh still I wanna be a rock star, but I ain't got what it takes
 No, I ain't got nothing, but to you I'm something
 Something so much more
 It's alright, it's alright
 Yeah it's alright, it's alright
I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and the lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Yeah, still I wanna be a rock star, but I ain't got what it takes
 You know I wanna be a rock star
 But I ain't got what it takes
 Oh I said, "I wanna be a rock star
 But I ain't got what it takes"
