I Know

My mama said to stay away from guys like you
She said, "They were nasty, make me do things I don't wanna do
Stay away from bad boys they've got one thing on their mind
Their hormones are raging and they want it all the time"And I know, know 'cuz she said so
And I can't just let you go
And I know, know 'cuz she said so
And I can't just let you goI love you very much
You're nice to see and nice to touch
And I'll never ever, ever treat you wrong
I've been waiting for you all alongAnd I know, know 'cuz she said so
And I can't just let you go
And I know, know 'cuz she said so
And I can't just let you goNever let go, never let go, I said I want you
To know, I said I want you to know
Right now, I want you to know
I said I want you to know
