Not Too Young, Not Too Old  
I not too young and I not too old  
Listen up everybody  
This ain't Aaron party  
Part two, I'm older now  
Come and show me body  
Girl, whatcha gonna do  
Come and talk to me in the backseat  
Baby backstreet We could surf the board  
Surf the net, better yet  
We could make a little bet  
If we get together, yo, it gonna be da bomb  
Hit me all baby, Aaron Carter dot com  
See when it comes to girls I not too young  
Baby face back up on the seat  
But when I get in trouble  
Hey, I not so old  
I put my cap way down  
And say I thirteen-years-old  
That how we roll  
Throw your hands up now  
Let the music take control  
This is how we roll  
I not too young, and I not too old  
Here we go Throw your hands up now  
Let the music take control  
This is how we roll  
I not too young, I not too old  
It A to the A to the are O N  
I'm all growing up now  
Running to your friend  
It's all sewn up now  
Where do I begin?  
Don even playa hate  
Trying to say I look ten  
I'm not telling you again

Catch me in the studio  
That my life bro. It in my blood Hey, it ain't my fault

You want to step to me  
We can take it to the asphalt  
Shoot some hoops can  
Slam dunk the funk  
Battle on the roller blades  
You're calling me a punk  
Bring on the skateboards  
Or the BMX. Show me what you got  
Is that all? Please, next  
I'll wipe the floor with you  
Where the concentration  
Don even talk about the Sony PlayStation  
I make it happen if it seems that you won  
Aaron Carter got you open  
Don't front, don't front  
Let's roll  
Throw your hands up now  
Let the music take control  
This is how we roll  
I not too young, and I not too old  
Here we go  
Throw your hands up now  
Let the music take control  
This is how we roll  
I not too young, I not too old  
He steppin' out with the older boys  
Cover up your ears 'cause we makin that noise  
He steppin' out with the younger girls  
Cover up your eyes 'cause we rock the world  
He steppin' out with the older boys  
Cover up your ears 'cause we makin that noise  
He steppin out with the younger girls  
Cover up your eyes 'cause we rock the world  
See, when it comes to pickin'  
All the girls were cruisin'  
Am i right?  
All I need is hello, hello.  
I'm not too young, I'm not too young.  
Switch it off, yo  
Hit me on the pager  
A real teenager, with a fake beard  
Batting in the majors  
That how we roll  
And when it suits me  
I'm between 12 and 18-years-old  
Here we go  
Throw your hands up now  
Let the music take control  
This is how we roll  
I not too young, and I not too old

Here we go

Here we go

Here we go
