

Fade Away

Mary J. Blige

Starting to rain again
Everything is gone now, even the sun
It's starting to rain again
Don't go away, what have I done? I've been high and I've been low
I've been wealthy and I've been poor
I don't know much
But one thing I know, this ain't no fun Sometimes I wish that I could stand here and fade away
(Sometimes)
So that no one could see the tears running down my face
(Sometimes)
Oh, invisibility would be great I painted a picture with her in his arms
It's starting to rain again
It's all in my mind, he's done me no harm I've been up and I've been down
Through all my drama, he's still around
I can't believe that even now
I put us through the storm Sometimes I wish that I could stand here and fade away
(Sometimes)
So that no one could see the tears running down my face
(Sometimes)
Oh, invisibility would be great Couldn't look at myself in the mirror
Asking myself, "How dumb could you be?"
Maybe everything would be much clearer
If no one could see me
Oh, invisibility would be great Sometimes I wish that I could stand here and fade away
(Sometimes)
So that no one could see the tears running down my face
(Sometimes) Sometimes I wish that I could stand here and fade away
(Sometimes)
So that no one could see the tears running down my face
(Sometimes)
Invisibility would be great
