

# Hurt Lovers (TroyBoi Remix)

## Blue

When the words that you wanted to say  
Are all coming out wrong  
When you burst into tears  
Though you're trying so hard to be strong  
Oh  
We're standing in  
Allowed to fight  
Trying to make two wrongs right Hurt lovers, hurt, hurt lovers oh  
Don't give up, don't, don't give up no  
Take cover  
We can't just let it go  
We gotta try  
We gotta try So when all that you ever believe  
Comes apart at the seams  
And when all of the bridges you build  
Washed away in a stream Oh  
Whatever comes  
It's not the end  
We gotta fight  
And take a stand Hurt lovers, hurt, hurt lovers oh  
Don't give up, don't, don't give up no  
Take cover  
We can't just let it go  
We gotta try  
We gotta try Hurt lovers, hurt so bad again  
Find something, to make things right again  
It don't matter who wins out in the end  
We gotta try  
We gotta try  
Even when you lose her  
And you played the last card  
You know  
You know, you know We're standing in  
Allowed to fight  
Trying to make two wrongs right Hurt lovers, hurt, hurt lovers oh  
Don't give up, don't, don't give up no  
We gotta try  
We gotta try Hurt lovers, hurt, hurt lovers oh  
Don't give up, don't, don't give up no

Take cover  
We can't just let it go  
We gotta try  
We gotta try Hurt lovers, hurt so bad again  
Find something, to make things right again  
It don't matter who wins out in the end We gotta try  
We gotta try
