

# Call My Name

112

Call my name, whenever you need my love  
Baby, call my name, whenever you need my love  
The time has come, baby, I know you have someone  
Who won't give you love, no  
Just let him go and soon the pain will pass  
Baby, I'm gonna be there tonight, won't you just call my name?  
(Call my name whenever you need my love)  
Baby I'm gonna be there tonight if you just call my name  
(Baby, call my name whenever you need my love, my love)  
I understand, baby, you're hurtin', so take my hand  
Your wish is my command  
I'll show you how to turn that hurt around  
Baby, I'm gonna be there tonight, just call my name, yeah  
(Call my name whenever you need my love)  
Just call my name  
(Baby, call my name whenever you need my love, my love)  
Girl, you need someone who can give you what you  
need tonight  
(I know you're hurtin')  
I know you're hurtin' but my love will make you feel so right  
(But my love will make you feel so right)  
He said he loves you but I tell you that it's only a lie  
I'll do so many things if only you would call me  
Baby, baby, baby, baby  
(Girl, you need someone)  
Girl, you need someone who can give you what you need tonight  
(Yeah, yeah, yeah)  
I know you're hurtin' but my love will make you feel so right  
(Don't hurt no more, don't hurt no more, baby)  
He said he loves you but I tell you that it's only a lie  
I'll do so many things if only you will call me, baby, baby  
(Just clear the ways, baby)  
Baby, just call me, just call my name  
(Whenever you need my love)  
I'll come running, I'll be ready by your side  
(Baby, call my name, whenever you need my love)  
All you have to do is just call  
I love you so, I need you in my life, baby  
Call my name, whenever you need my love
