

Junior Bridesmaids

Rebecca Zamolo

i got junior bridesmaids now,
they'll be rocking in pink gowns,
so many i lost count,
i got junior bridesmaids now (hey)
to big to be flower girls,
to young for them atarworld
why can't you just pick one favoritism is not a discussion,
you said that we'd just pick one,
i can't help it i got so many cousins,
ahhh, it's so stressful wedding planning all those girls
i got junior bridesmaids now,
they'll will be rocking their pink gowns,
so many i lost count,
i got junior bridesmaids now (hey)
