

One for the Razorbacks (Live from WMMR)

Green Day

Juliet's trying to, to find out what she wants
But she don't know, experience has got her down
Well look this direction, I know it's not perfection it's just me
I wanna bring you up again now 'Cause I'm losing what's left of my dignity
A small price to pay to see that you're happy
Forget all the disappointments you have faced
Open up your worried world and let me in Juliet's crying, well now she's realizing love can be
Filled with pain and distrust
I know I am crazy and a bit lazy
But I will try to bring you up again somehow 'Cause I'm losing what's left of my dignity
A small price to pay to see that you're happy
Forget all the disappointments you have faced
Open up your worried world and let me in Juliet's crying, well now she's realizing love can be
Filled with pain and distrust
I know I am crazy and a bit lazy
But I will try to bring you up again somehow 'Cause I'm losing what's left of my dignity
A small price to pay to see that you're happy
Forget all the disappointments you have faced
Open up your worried world and let me in
