All My Friends - 99 Souls Remix

Snakehips

All my friends are wasted
And I hate this club
Man I drink too much
Another Friday night I wasted
My eyes are black and red
I'm crawling back to you babe
We open with the vultures, kissing the cannibals
Sure, I get lonely, when I'm the only
Only human in the heaving heat of the animalsSure I get lonely
Sometimes
We up in with the vultures
Hissing like cannibals
Sure I get lonelySometimes
Burn your love into the ground
With the lips of another
Do you get lonely
Sometimes
Burn you love into the ground (into the ground)
Burn your love in
Burn your love in to the ground
To the ground
Burn your love in
Burn you love into the ground (into the ground)
Burn your love in
Burn your love in to the ground
All my friends are wasted
And I hate this club
Man I drink too muchAnother Friday night I wasted
My eyes are black and red
I'm crawling back to you babe
All my friends are wasted
And I hate this clubMan I drink too much
Another Friday night I wasted
My eyes are black and redI'm crawling back to you babe
We open with the vultures, kissing the cannibals
Sure, I get lonely, when I'm the only
Only human in the heaving heat of the animals
Sure I get lonely
SometimesWe up in with the vultures

Hissing like cannibals
Sure I get lonely
SometimesBurn your love into the ground
With the lips of another
Do you get lonely
Sometimes
Burn you love into the ground (into the ground)
Burn your love in
Burn your love in to the ground
To the ground
Burn your love in
Burn you love into the ground
All my friends are wasted
And I hate this club
Man I drink too much
Another Friday night I wasted
My eyes are black and red
I'm crawling back to you babe
All my friends are wasted
And I hate this club
Man I drink too much
Another Friday night I wasted
My eyes are black and red
I'm crawling back to you babe
Up right now, Up right now
Man if you're up right now, you'll hear what I'm saying
Man if you're up right now, Up right now
Man if you're up right now, you'll hear what I'm saying
All my friends are wasted
And I hate this club
Man I drink too much
Another Friday night I wasted
My eyes are black and red
I'm crawling back to you babe
