# Foolhearted

## Up Front

why must you act like such a fool?
nothing useful comes from you
never a good word to say
I don't know where you got that attitude
but I sure hope it doesn't stay
you'd better choose another way to bethe time to change is right now
you're always there to dog my mood
you've been this way for far too long
you call yourself a rebel
I say go and find yourself a cause
you never even gave yourself a chance
