

Not What It Seems

Emanon

A long day
If ever these questions were yours what would you say
 You don't know
But I'm writing the answers on cheap paper napkins
 And now he's turning off
 And now she's shutting down
 And it's not what it seems
Nothings the same when you give it away
 No it's not what it seems
 It's just what you think it is
 And these fights
They climb through my veins like it's mercury rising
 And these nights
I seem to remember a home that was better
 And now he's turning off
 And now she's shutting down
 And it's not what it seems
Nothings the same when you give it away
 No it's not what it seems
 Its just what you think it is
 And now he's turning off
 His family's breaking down
 And it's not what it seems
Nothings the same when you give it away
 No it's not what it seems
Its just what you think it is it's just what you think it is
 No it's not what it seems
 No it's not what it seems
 No it's not what it seems
Nothings the same when you give it away
 No it's not what it seems
 No it's not what it seems
It's just what you think it is just what you think it is
 It's just what you think it is
 What you think it is
