Life Be My Song

Dmx

Ask me if I cry
I'll tell you why I can, come onI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songHow I live is simple, walk through the streets
Talk to the beats, New York, I'ma eat
I ain't never had a problem with survivin'
No problems with gettin' down, bustin' my *** or Ruff Rydin'Cats talk slick but I talk slicker
My *** for real 'cause I'm that ***
Reason that you hurtin' is you gotta take your problems
Straight to the Lord, no one, only He can solve 'emSee what I see but look through my eyes
The Devil is a liar, the truth never lies
We all got issues, s*** that we go through
S*** that we been through, s*** that we won't doThe pain that we bring upon ourself
For no reason, is the worst
That's why I say I'm blessed with the curse
The Lord gave it all to me and in the process
I lost my soul, damn, Devil got a holdIn my mind, I'm like a little boy lost in crime
Like the healthy *** that the Devil forced into dyin'
Lord knows I'm tryin' but at the same time
You hit a *** with the weight of the world
Why you gave it to Earl?I'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songTo live is to suffer and I'm livin' it up
Face everyday chin up, I ain't givin' it up
If I ain't givin' a ***, then who will?
So I hope for the best, knowin' that it's all uphillSometimes I wonder what life's about
Sometimes I wonder why I take the wrong route
Then turn around and go out and no doubt
The fate is mine is blind
So whatever, *** it, I'ma roll outWe all go through the motions
We get different notions

We each have our own ocean
That we can either drown in or float
Like the vessels that we are
Vessels that would carry many farYou don't know what to say when you talkin'
We don't know who you gon' see when you walkin'
If you don't know how much of what you do is dirt
3 things you don't know could get you hurtI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my songI'm gonna go hard whether I'm right or wrong
'Til the dead and gone, it's on
What y'all really want? Bring it on
I'ma let life be my song
