# My Boo

## Dj Fletch

There's always that one person that will always have your heart
You'll never see it comin', 'cause you're blinded from the start
Know that you're that one for me, it's clear for everyone to see
Ooh baby, oh, you will always be my boo
(You gotta rock away to this one)
See, I don't know about y'all, but I know about us and
It's the only way we know how to rock
I don't know about y'all, but I know about us and
It's the only way we know how to rock
Do you remember girl, I was the one who gave you your first kiss
'Cause I remember girl I was the one who said put your lips like this
Even before all the fame and people, screamin' your name
Girl, I was there and you were my baby
It started when we were younger you were mine, my boo
Now another brother's taken over but it's still in your eyes, my boo
Even though we use to argue it's alright, my boo
I know we haven't seen each other in a while
But you will always be my boo
I was in love with you when we were younger you were mine, my boo
And when I see you from time to time I still feel like, my boo
And you can see it no matter how I try to hide, my boo
And even though there's another man who's in my life
You will always be my boo
Yes, I remember boy, 'cause after we kissed
I could only think about your lips
Yes, I remember boy, the moment I knew you were the one
I could spend my life with
Even before all the fame and people, screamin' your name
I was there and you were my baby
It started when we were younger you were mine, my boo
Now another brother's taken over but it's still in your eyes, my boo
Even though we used to argue it's alright, my boo
I know we haven't seen each other in a while
But you will always be my boo
I was in love with you when we were younger you were mine, my boo
And when I see from time to time I still feel like, my boo
And you can see it no matter how I try to hide, my boo
And even though there's another man who's in my life
You will always be my boo

Oh my, oh my, oh my, oh my, my boo
My oh, my oh, my oh, my oh, my boo
It started when we were younger you were mine, my boo
Now another brother's taken over but it's still in your eyes, my boo
Even though we use to argue it's alright, my boo
I know we haven't seen each other in a while
But you will always be my boo
I don't know bout y'all, but I know about us and
It's the only way we know how to rock
I don't know bout y'all, but I know about us and
It's the only way we know how to rock
It started when we were younger, my boo
Now another brother's taken over
