

Ballin' (Feat. Lil Wayne)

Young Jeezy

[Young Jeezy - Chorus]

You think you're ballin cause you got a block?
He think he ballin cause he got a block?
You know these hoes came to see me ball
You know these hoes love to see me ball

You think you're ballin cause you got a block?
He think he ballin cause he got a block?
You know these hoes came to see me ball
You know these hoes came to see me ball

[Lil Wayne]

These hoes call me Tunechi baby
N-ggas think they seeing me, they hallucinating
Bitch, I'm balling, ballin' like a muthaf-cker
12 gauge, bitch, I got a dozen of them
N-gga broke, acting like he got it though
I'm with a Spanish bitch, if she aint f-cking, adios!
So many cars I'm like eenie meenie minie moe
So many colours in the diamonds, Kaleidoscope
Last year I made a hundred million dollars flat
Run in ya house, get to poppin' at your shower cap
My homies got them firebirds like Pontiac
And if them bitches don't sell, we buy em back
Where the strippers, tell em Tune on his way
Tell them n-ggas I'm strapped like lingerie
I aint trippin, I'm ballin, call me NBA
I-I aint trippin, I'm ballin, call me NBA

[Young Jeezy - Chorus]

You think you're ballin cause you got a block?
He think he ballin cause he got a block?
You know these hoes came to see me ball
You know these hoes love to see me ball

[Lil Wayne]

You think you're ballin cause you got a block?
He think he ballin cause he got a block?
