Love Is Not Lost (LP Version)

Leslie Phillips

Love is not lostBoy
Boy meets girl
And you know the rest
Boy loses his girl
In their love's first testIs this supposed to be a happy ending now
Is this the way it always goesGirl
Throws in her heart
Like a losing hand
She uses the boys
Cause she thinks she'll never find her manIs this supposed to be a happy ending now
Is this the way it always goes
Well I think I want my money back
Because that's not all I knowLove is not lost
It's not a lost causeI meet you
And you cut my heart
You shake my ideals
Until they fall apartHave I lost it if I hope for something more
Than feeling fatalistic pain
And if true love never did exist
How could we know its nameLove is not lost
It's not a lost cause
Don't give up now
Love is not lost
