All Black

Hanni El Khatib

Cover me up
From my head to my toes
Can't see a thing now, baby
I'm ready to go
You think you're hot
And you're certainly right
Gotta do what my man tells me now
Till the end of the night
Cover up in all black
Cover up in all black
Wake up in the mornin'
And I do it again
It's been like this for years now
Kids don't understand
Tradition is how I survive
So why don't you stand by my life
You can preach all you want but I don't think it'll change
I know my heart, I'm just saying
Cover up in all black
Cover up in all black
Cover up in all black
Cover up in all black
Ahh!
